

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 8, 1996

SUBJECT: **SB 2983 - HB 2806**

This bill, if enacted, will require that when levying an execution issued by a general sessions court for the sale of personal property, the officer levying such execution must post notice of the sale for fourteen days. Currently, the officer is required to post such notice for ten days.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent that the notice is published in a newspaper. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
